

The new investment law

Fundamental provisions of Law 22-18
of July 24, 2022 relating to investment

2022

THE CONTENTS

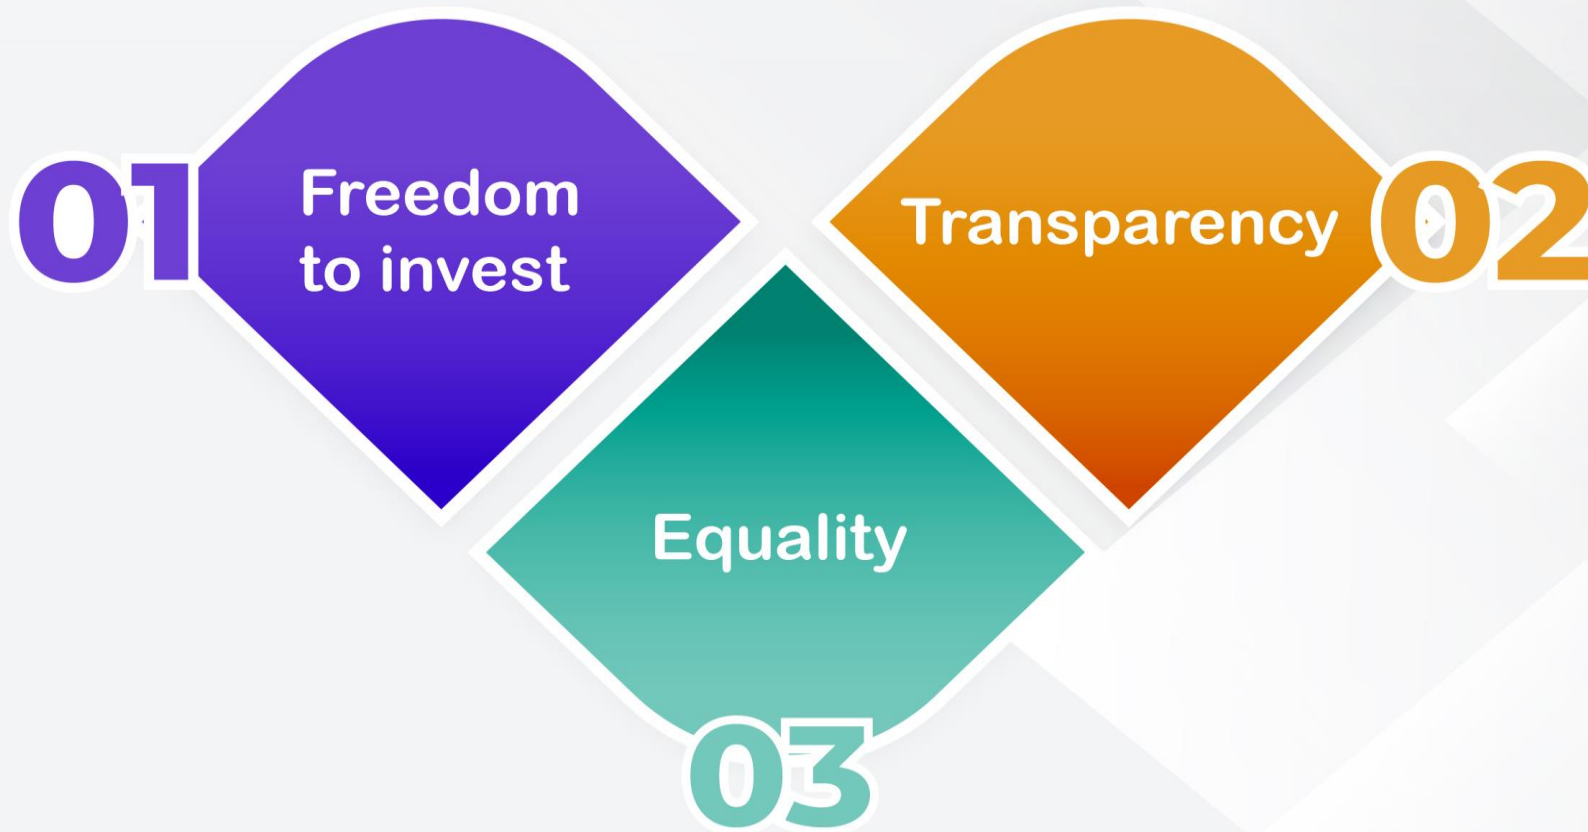

OBJECTIVES

3 PRINCIPLES

Principles enshrined in the Investment Law

10 GARANTIES

01

Ensuring that investment projects benefit from lands belonging to the private property of the state:

- Grants are made by qualified bodies, in accordance with the terms and conditions stipulated in the applicable legislation and regulation;
- The relevant information is provided by the Agency on the investor's digital platform.

02

Exemption from foreign trade and bank domiciliation procedures on:

- External contributions in kind that fall exclusively within the framework of transfers of activities from abroad;
- New goods that are included in the external in-kind quotas.

03

Ensuring the state's protection of intellectual property rights in accordance with the applicable legislation.

04

Protect investment from the effects of revising or repealing this law that may occur in the future, unless explicitly requested by the investor.

05

Protect the investment from any harnessing carried out by the administration, except in the cases stipulated by law. Such harnessing entails fair and equitable compensation.

06

Right to appeal to the Supreme National Investment Appeals Committee established by the President of the Republic. In addition to the right of litigation. The Committee must decide on such appeals within a period not exceeding one (1) month from the date of their referral

10 GARANTIES

07

Right of recourse to international dispute settlement bodies (conciliation, mediation, arbitration) as well as right of recourse to national justice.

08

The right to transfer or assign goods and services that benefited from the advantages of Law 22-18, as well as those granted under the previous provisions, on the basis of a license received by the Agency.

10

Acceptance as “external quotas”, reinvestment in capital, interest and dividends.

09

Benefit from transfer guarantee for:

- a. The capital invested and the returns arising therefrom;
- b. Shares in kind, provided that they are externally sourced and subject to evaluation in accordance with the rules and procedures governing the establishment of companies;
- c. The real net income resulting from the assignment and the liquidation of foreign-sourced investments, even if the amount exceeds the initial invested capital.

Condition for benefiting from the transfer guarantee:

External source funding share of investors' total investment cost should be: 25% of the investment amount.

11

The investor retains the rights and benefits acquired under previous legislation.

Definition of certain concepts

01

Investor:

Any natural or moral person, whether national or foreign, resident or non-resident, within the meaning of the regulation of disbursement, shall make an investment in accordance with the provisions of this Law.

02
